### SCHOOL & FOREST UPGRADED

The Rochester Memorial School is not only ready for the beginning of a new season but is in excellent condition thanks to a CETA grant of \$132,000 obtained by Mrs. Georgia Chamberlain and Ben Gilmore for the school repair, forestry and conservation work and recreation development.

The older section of the Rochester school consisting of 11 rooms, special needs room, principal's office, library and connecting halls have been completely repainted from ceiling and including floor finishing; fixtures were removed and cleaned and the result is a renewed school wing. Fifteen CETA employers working under the supervision of Dale Dakin have accomplished the school work plus the clearing of grounds and cutting back of trees to allow more visibility for the buses. As normal procedure the maintenance men of the school do two classrooms per summer. This summer an entire wing was done. Work still to be done includes work on reforestation and at Raynor M. Gifford Memorial Park. A new Little

### MATTAPOISETT COUNCIL ON AGING

We hope all Seniors cut out the September Trips ad in last week's edition of the Presto Press (August 23). We want especially to call your attention to the deadlines for the Nantucket (August 31), Cuttyhunk Island (September 7), and Springfield Exposition (September 11) trips. There is no firm reservation until your ticket money has been received at the Selectmen's office, and if it is not in by the deadline date as shown above, you have no reservation and seats will be filled by alternates. We cannot accept last minute cancellations as we have to arrange for the tickets ahead of time. If you cannot go, try to arrange for a substitute. The Selectmen's office might be able to help you if they have a list of alternates.

One thing further: Please do not send or bring in a check for two or more trips. The checks and money for each trip have to be kept separate and attached to the appropriate list; otherwise it would be im-
